

FIRST PRESBYTERIAN CHURCH

Reverend Rollin Tarter, Interim Minister

We are pleased that you are considering our church as the starting point of your new life together. In coming to the church on this special occasion, you are coming to ask God's blessing on your union.

We regret that it is necessary to charge any fees at all for the use of the church. In order to meet the expenses incurred for use of the church by non-members, however, the Session has set a fee of **550.00** which covers all expenses associated with the wedding: use of the building and utilities, custodial fees (billed at the rate the church pays its private custodial service), organist fees and ministerial honorarium. This fee may be paid at any time, but no later than one week prior to the wedding.

Using the Fellowship Hall or Christian Life Center for your reception will cost an additional \$50.00 to \$125.00 depending on which size of facility best suits your needs. If you have any questions about the charges, we will gladly explain them to you.

Thank you for inquiring about the use of the church. If you have questions, you may call the church office at 623-5323.

Thank you,

Dana Miller
Office Manager
